Departure for Israel

JEWISH DEAF ASSOCIATION CHAIRMAN'S REPORT 1972/1973

As in previous years the Club provided again a home for our deaf members. It continued to be the only place where they could express themselves according to their abilities, where they could communicate freely without embarrassment.

At the Club they find recreational facilities as well as stimulating talks and discussions that are out of bounds for them elsewhere because of their particular handicap. In addition to the continuing activities like film shows, bingo, whist drives and so on, the Jewish Deaf Association has ventured into some new and productive fields.

We have started a weekly lip-reading class for the 'Hard of hearing' under a qualified teacher, and this has attracted many new members to the Club.

A course of 'Make up and Beauty Treatment' is now in progress and once a month a Beautician is demonstrating skin and nail care, massage and allied treatments to an enthusiastic and large female audience. Our male members found special satisfaction in Billiards and Snooker matches with senior members of Hearing Clubs. All members participated in a most successful Bazaar which was held at the Club.

In May Mrs. Margulies with the assistance of Mrs. Nicholls, shepherded some 28 of our members on a two weeks Israeli tour. This proved to be a most successful and interesting trip. They did a great deal of sight-seeing and found everyone to be most helpful and understanding. All those who went were most appreciative to Mrs. Margulies who showed great initiative in planning the tour and looked after them with unfailing kindness and patience. All those taking part regard this trip as a highlight in their lives and their feelings are summed up in the letter of a young deaf girl published elsewhere in this report.

Our members have eagerly participated in all the various activities arranged. One of the outstanding functions of the year was the celebration of the 80th birthday of our beloved Founder and President Mr. Julius J. Newman and we were honoured to have the Chief Rabbi and Mrs. Jakobovits with us on this happy occasion.

I am pleased to report that we have formed a new Functions Committee under the leadership of a new Chairman Mr. Jerrold Assersohn, and that Mr. George Gee and Mr. David Lauffer have agreed to organise the brochure. I am encouraged and grateful for the interest shown by Mr. Assersohn and his Committee in the work of the Jewish Deaf Association, and hope the concert that they have arranged for Wednesday November 21st 1973 at the Commonwealth Institute, Kensington will be a great success. We look to the profits from our Annual function to help us to keep the Club going.

There is a continual struggle to make people aware of the problem of the Deaf and we in our small way, are always trying to interest new people in our work. Thus we were particularly thrilled and honoured to have a personality such as the Rt. Hon. Lord Shinwell, P.C., C.H., D.C.L., as Guest of Honour at our last Annual General Meeting, and to our great delight that wonderful person Mr. Jack Ashley, M.P., has accepted our invitation to be Guest Speaker at our next Annual General Meeting on October 28th 1973.

Most of us rarely think of the deep-rooted problem of the Deaf as expressed in the following quote "We live our lives in plate glass prisons. Losing your line of communication means you have lost your all. The hearing world never understand or accept the Deaf. They cannot see the disability, so therefore they cannot understand it. Deafness brings out the worst in hearing people—it irritates them, and becomes intolerable at times."

It is the aim of the Jewish Deaf Association to understand the hardships created by the disability of deafness and to ease the burden of their deaf members and bring some joy and normal pleasures into their lives.

My Committee is well satisfied with the progress made during the year under review and the increasing attendances of the Deaf at the various activities and functions is proof enough that they are appreciative of what their Club has to offer them.

All this could not be done without the help and generous support of our friends. Please continue to help us carry on our work.

Evelyn Gee,
Chairman.

RELIGIOUS OBSERVANCES

Every Festival and Holy Day is observed at the Club. The outstanding event being the Annual Seder Service which is attended by about 100 deaf people. This year the Service was conducted by Rabbi Abraham Levy of the Spanish & Portuguese Jews' Congregation, who told them of the customs and traditions of the Sephardi Jews.

The joyous festivals such as Chanukah, Purim, Simchat Torah were celebrated by parties and dances.

As usual a Kiddush in the Succah was attended by a large number of our members.

WELFARE

The Deaf, like everyone else, have to cope with various problems and it is to our office that they bring them. Mrs. Margulies the Secretary and Social Worker of the Association had to contact social workers of the boroughs, get in touch with employers, accompany members to hospitals for appointments, treatment and so on, and is always available to give advice when needed.

It is hard to realise that most of the Deaf have to have help in understanding and filling in the simplest form.

HOSPITALITY

From all over the globe DEAF JEWISH PEOPLE find their way to our Club when they are in London. Thus we had visitors from America, Israel and the Continent who always find a warm welcome waiting for them. On leaving, they invariably express admiration for, and even envy of this beautiful Club made available to our deaf.

In addition to visitors from abroad, we provide a temporary home for our members who live in the provinces. They can avail themselves of accomodation at the Club when they spend a holiday in London.

FRIENDSHIP CLUB

With advancing years our deaf senior citizens become members of our Friendship Club, and having done that, they never fail to turn up on the afternoon reserved for their meetings to have tea and a chat in the relaxing atmosphere of our canteen.

There they can be sure to meet their Chairman Mrs. T. Goldberg who is always ready to listen and help. In this she is ably assisted by Mrs. L. Sinclair.

For the added pleasure of Friendship Club members, a monthly visit of a speaker/demonstrator from the local Adult Education Centre has been arranged. Old silent films, flower arranging, cookery demonstrations etc., add to their enjoyment of a sociable afternoon.

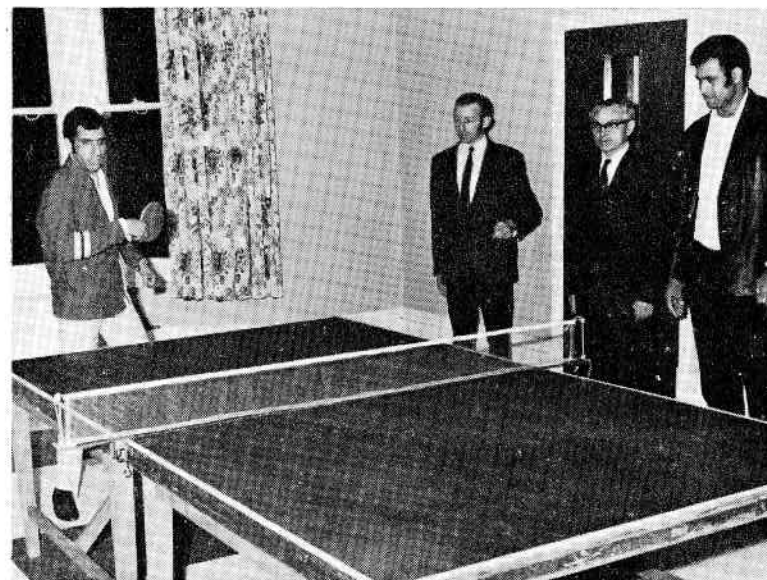

It is interesting to note that their numbers are swelled by any members who happen to be on holiday or temporarily out of work.

Outings to the seaside were arranged for them specially, in addition to the outings run for the Club as a whole. The greatest pleasure is afforded them when they are invited out, such as to the Chanukah party given by the Clapton Synagogue Ladies Guild and the party given by Mrs. Goldberg in her house to celebrate her Ruby Wedding Anniversary.

All this helps to bring some pleasure into the lives of these people, who are not only suffering from the loneliness that old age brings but also from the extra burden caused by their deafness.

ISRAEL: A DEAF MEMBER WRITES:

I am one of the lucky members of the Jewish Deaf Association who took part in a group holiday in Israel.

While there, we found that everything was arranged to suit our special handicap.

We were given the opportunity to see the Country, for which we Jewish Deaf have the same feelings as any person with all his faculties. But in addition to feeling the atmosphere, and gazing in wonder at the historical monuments, we had to have a special interpretation of anything our wonderful guide explained to us.

The Helen Keller Home in Tel Aviv arranged for us to meet the Israeli deaf in their Clubs in Jerusalem, Haifa and in their own Club in Tel Aviv and so we had a chance of comparing their way of life to ours. A most fruitful experience.

On behalf of all those taking part in this wonderful trip, I want to thank the Jewish Deaf Association for enabling us to have a holiday which we would not have been able to arrange for ourselves, and to Mrs. Margulies the leader of our group who made such a good job of interpreting for us, and generally looking after our welfare.

APPRECIATIONS

The council has cause to be grateful to many friends. In particular to the honorary officers of the Jewish Deaf Association, especially the members of the very active House Committee under their Chairman Mrs. G. M. Gee, for keeping an eye on the day to day running of the Club.

They are greatly indebted to Mrs. Margulies for her devoted services to the deaf members and to Mrs. Goldring who helps her in the administrative work. To Mrs. Goldberg for her kindness and concern for the members of the Friendship Club. They extend their appreciation to Mrs. R. Simmonds for her untiring work as hon. Secretary and to Mr. Anthony Myers the consciencious and able Treasurer of the Association.

We thank the Ladies' Guilds, especially those who ran functions on our behalf; The London Boroughs who have helped us whenever approached; The Business Managers who so readily donated goods for our Bazaar; The B'nai B'rith Lodges; the Welfare Committee of the United Synagogue and all the individual donors, covenanters and subscribers, without whose help we could not exist.

Spellbound attention to the Annual Seder Service
