President's Speech

Sharing as I do the problems which confront the people for whom this Function is being held, the cause of the Jewish Deaf is one of great personal and sympathetic interest to me, and I am therefore extremely disappointed that through reasons of health, I am unable to be with you tonight.

Due to the hard work of everyone on the Committee and the interest taken by all concerned with our Jewish Deaf Club and Hostel, we have been able to bring some measure of happiness and useful purpose into the lives of our Club members and residents, but so much more could be done if only we can encourage more people to help us financially in this very important task.

In thanking everyone therefore who is responsible for the success of this Function, and in wishing you all a most enjoyable evening, I do add a personal appeal on behalf of our Jewish Deaf members, for your continued support and your endeavour to widen the field of interest for this very worthwhile cause.

The work of the **JEWISH DEAF ASSOCIATION**

The aim of the Association is to integrate into the Community deaf people of the Jewish faith, who, before the foundation of the J.D.A., were not catered for in any other way. This it has succeeded in achieving and some 200 members, from adolescents of 15 years old to men and women in the evening of their lives, are encouraged to use their faculties, develop their personalities and to lead a normal, fuller and happier life. Most important of all, their feeling of isolation is dispelled through warm-hearted friendship and the knowledge that they "belong".

The generosity of many public-spirited supporters of the Association has provided permanent premises at Cazenove Road, Stoke Newington where the facilities are many and varied:—

A CLUB with Games and Sports; Social, Educational and Cultural activities; Religious Observances; Lounges, Television Room, Library.

AN ADVICE CENTRE where the Welfare Officer is always ready to assist on matters of Employment, Health and General Welfare.

A KOSHER CANTEEN where hot meals and snacks are served daily.

A HOSTEL for those who require a home, with accommodation for Jewish Deaf visiting London from this country and abroad and an increasing number of out-of-town and overseas visitors are making use of this facility.

A FRIENDSHIP CLUB for the Jewish Deaf over 60.

Visitors are at all times welcomed and an invitation is hereby extended. Even a short time spent at Julius J. Newman House is sufficient to demonstrate the effectiveness of the work of the Association and the happiness of its members in spite of their handicap.
