Madame Chairman, Ladies and Gentlemen,

Permit me to thank you on behalf of all of us here for accepting our invitation to conduct the proceedings this afternoon. I was really envious to see how smoothly and efficiently everything has gone according to plan. It has certainly been an example to us and it has taught us a good lesson. --- May I also thank our Joint Vice-President Mrs. Hilton who always finds time to listen to us whenever we need anything. To our Chairman Mr. Newman, I am glad we managed to surprise him. To our Vice Chairman Mr. Blumenthal, who, as Chairman of the Functions Committee succeeded so splendidly in making the Dinner & Ball last week such an outstanding success. To the Ladies of the House Committee who have our Welfare so much at heart, and to all of you here, Ladies and Gentlemen, who in one way or another have made our cause your cause. Whether you are serving on the Executive, House Committee or Functions Committee, we know how much we owe to you all.

Madame Chairman, Ladies and Gentlemen

-

I thank you.
