

TOWNSHEND HOLIDAY GROUP
INCLUSIVE HOLIDAY TO ISRAEL
20 Oct. - 3 Nov. 1968
15 days/14 nights: 109 gns.

Dear Friend,

If you attended the last film show that was presented by Goodmos Tours at the Jewish Blind Centre, you will know by now that I intend to arrange a second tour to Israel for October, 1968.

The cost of the holiday to include the new supplement due to the devaluation of the £ will be 109 gns. and an itinerary of this tour is enclosed herewith for your information.

It was intended originally that the tour should depart on the 6th October and return on 20th October. It appears however, that these dates are not suitable due to the fact that they cover the Succoth holidays and as most of the shops in Israel will be closed for approximately four days, I felt that the tour would be better arranged if I delayed it until 20th October to return 3rd November. Climatic conditions in Israel during this time are extremely favourable and normally every day is filled with sunshine.

I am now accepting reservations for the tour and as I do not intend to take such a large group, bookings are strictly limited. I therefore recommend that you complete the enclosed booking form and return it to

Hope you will be able to join me.
