Prepare yourselves for a vacation – a holiday full of trips, good company and intimate atmosphere, all interpreted into Sign Language.

There is much to see in Israel – the Land of the Bible.

Participate in the 40th Independence Day and join the Israeli people in their festivities.

The view, the climate, the old and the new – "a land flowing with milk and honey".

All this within a short time... **Exciting:**

An experience you'll never forget:
