

“Towards a Freer World”

Sidur Tfilot

Prayer book

Compiled especially for the:

“Weekend Special”

July 21st-23rd, 1995

5th World Organisation of Jewish Deaf Congress

Bonnington Hotel, London England

During the 'Weekend Special' Parashat Pinchas is read out of the Torah.

The congress organisers are proud to be able to take part in such an important event and compiled this prayer book especially for the Congress participants.

This would not be possible without the help of the following people whom I would like to thank each for their great help and support.

Rabbi Alexandra Wright & United Reform Synagogue

for their help in getting us the Ark and the Torah Scroll for the Torah reading.

Rabbi Friedmann:

For his coming specially from the United States to deliver the Sabbath Service.

Rabbi Hillel Simon:

of the Bristol United Synagogue for his help in selecting the suitable prayers.

The NCSY

For their helpful booklet "Our Way" which all the facts about Sabbath are selected from.

Martin Bogard

for photocopying and collating the books

**Kathy Marks JDA's
Secretary**

for trying so hard to obtain foreign versions of the prayers i.e. Hungarian, Russian, and French

For all those who helped in getting the books themselves

Thank you for making this possible
