God made the bees  
the bees make the honey  
Boxers do the fighting  
Managers get the money  
Trainers get the worry.

One and one make two,  
And if those two should marry,  
Isn't it strange that within a year,  
There would be two or one to carry.

The spray is spraying

The grass is rig

I wonders where the border is —

The bird is on the wing —

But date ahead — I thought

the wing was on the bird

They walked down the lane together  
The sky was studded with stars.  
They reached the gate in silence  
For her, he lifted the bars.  
She neither smiled nor thanked him  
And indeed she knew not how  
For he was only a farmers boy  
And she was a Jersey cow !!

Bye! Bye!

I see you everywhere -

And you see me here

The wondrous of peace

Seeing everybody is nature -

Bye! Bye!
