**Members of the BDA Birmingham Branch and Birmingham Deaf Sports & Social Club lost their friend, Greta Ridgeway, on 12th August, after an illness. The funeral was held at Brandwood End Cemetery (Jewish Section) on 14th August and was attended by her many friends.**

Greta's father and her brother are also deaf. Greta went to the Jewish Deaf School in London. She married Larry and they lived in South London, then they moved to Birmingham. They have two daughters, Sharon and Pauline.

Greta was elected Hon. Secretary in 1984 after the first meeting of members of the BDA Birmingham Branch. She attended the Midland Region Council faithfully until illness forced her to resign from the BDA Birmingham Branch last year.

We, the members of Birmingham Branch and Birmingham Deaf Sports and Social Club, send our sympathy to her family, Larry, Sharon, Pauline, her father and her brother Bernard. Greta will be missed by us all.
